

# **Granite / Marble Care & Maintenance**

## **DO -**

Clean all surfaces with warm water and mild detergent or stone soap.

Rinse and dry surfaces after cleaning.

Blot up spills immediately.

Reapply water based stone sealer to surface every 6-12 months. (Cost Less Carpet stocks MIRACLE brand sealants)

## **DO NOT -**

Use abrasive cleansers like Comet, Ajax, or Soft Scrub.

Use cleansers that contain acid such as bathroom cleansers, grout cleansers, or tub & tile cleansers.

Use cleansers that contain vinegar, lemon juice, or ammonia.

Cut directly on stone countertops; always use a cutting board.

Put hot pots and pans directly on stone countertops; always use a trivet or hot pad.

Sit or stand on stone countertops.
