Care & Maintenance

MAINTENANCE:

Dust-mop or broom can be used for daily maintenance.

When necessary, clean with a MOIST cloth or mop and a neutral PH cleaner – heavy use of detergent cleaners will leave a residue and, over time will lead to a cloudy film.

NEVER USE floor polish or floor cleaning wax, oil soaps, etc. These products can damage and/or leave a film on the flooring. This is not a defect in the floor.

TIPS: - Always use felt tip protectors on all furniture legs/feet - Entryway/walk off mats are recommended

Warnings: - Never use rubber protective mats - Area rugs are recommended - Keep pet nails trimmed - Exposed nails on sharp shoe-heels (e.g. high-heels) may damage floors - Never slide furniture across a floor without pads - Keep floors clean
